Our Top 4 Investments

Leading in 4 directions

TECHNOLOGY

We are the forefront of investing in innovative technology companies that are revolutionizing industries and disrupting traditional business models.

HEALTHCARE

We are committed to backing visionary entrepreneurs who are driving advancements in medical technology, biopharmaceuticals, and healthcare services.

CONSUMER GOODS

We seek out dynamic startups that are reimagining traditional retail, e-commerce, and consumer product spaces in companies with innovative business models.

SUSTAINABILITY

We aim to accelerate the transition to a greener future while generating attractive returns for our investor entrepreneurs who prioritize sustainability.
